Thank you for your support of ministry at Brown University. We are grateful for your prayers. God is working – be encouraged!

Look forward to receiving more prayer cards in the future. Together we will seek the Lord to expand His kingdom at Brown.

**Please join us in praising God for ...**

- ◆ the freshmen & transfers that have quickly gotten involved and bring such energy to the group!
- ◆ Brown's new Protestant chaplain, Reverend Mathis, that loves the Lord!
- ◆ the campus ministers from various Christian ministries at Brown that have begun meeting weekly for prayer!

and praying for ...

- ◆ students to continue applying what they learned from the Fall Getaway (living transparently & allowing the Gospel to revolutionize their lives)
- ◆ 10 students to attend the annual Boston Winter Conference
- ◆ the monthly Brown faculty/staff luncheon. May it be an encouragement to Christian professors & administrators.
- ◆ the awakening of students and faculty's souls to their need for a Savior
- ◆ the staff team as we continue seeking God's wisdom and guidance in how to lead this ministry
- ◆ students to use their winter breaks wisely to invest in their relationships with God
