

Dear Partner in the Gospel,

God is moving at Brown! Please stay diligent with us in prayer as we seek a campus transformed by Christ.

In His service,
Brodie Herb, Jarrod & Susie Lynn

Please join us in praising God for ...

- ◆ 10 guys showed up for the first AIA Men's Life Group of 2009 and they're already thinking about how to reach out to their teammates, as well as how they can, together, serve the local community.
- ◆ A sophomore, David, placed his faith in Christ and is continuing to grow!
- ◆ A freshman student took the initiative to restart morning prayer at Brown.

and praying for ...

- ◆ The CHC students' interest in evangelism - that it would become passion.
- ◆ The student-athletes who attended the AIA Winter Retreat would take what they've learned and experienced back to the campus and their respective teams.
- ◆ The women in the AIA Women's Life Group - that they will come to Christ and grow in their relationships with him.
- ◆ Our interfaith team of 21 students going to New Orleans for Spring Break will have life changing encounters with Jesus.
- ◆ That the staff/leaders of CHC would make good choices for the group and would be able to lead others towards more Christ-centered lives.
- ◆ For open doors and open hearts of the students and faculty at Brown so that they are ready to listen to and understand the Gospel.
